### Obituary

Rory Brian Knox

John 3:16

Rory Brian Knox was born in Milwaukee, Wisconsin to Hattie E. Knox and Sterling D. Knox. He was the oldest of their two children.

Rory was a believer and accepted Christ as a young boy. He attended church regularly in his youth and strived to do God's work in his everyday life. Like David, Rory served the purpose of God in his own generation.

Mr. Rory Knox was educated at Maple Tree Elementary, Samuel Morse Middle School for the Gifted and Talented, and Marquette University High School. He received his Bachelors of Science in Biology from The University of Arkansas at Pine Bluff, where his mother (Hattie Knox), father (Sterling Knox), and sister (Alisa Knox) also received their undergraduate degrees.

His work ethic was impeccable. He worked his way up to Supervisor at Sonic while attending college. He presently worked

for Marquette University, where he also worked his way up to a supervisory position. He took advantage of opportunities presented and never complained about adversities.

His hobbies included fishing, collecting comic books, appreciating nature, running errands, etc. Rory had a special joy of continuous learning, and took the time to teach others as well.

Rory leaves to cherish his memory his mother, Hattie E. Knox, his sister, Alisa R. Knox, and the "princess" of his life, his niece, Analisa Ester Delaney Knox, his aunts, uncles, cousins, coworkers, and many close relatives and friends.

He was preceded in death by his wonderful father, Sterling Deloney Knox.

“ Rory,

*You will be missed greatly on earth, but I understand that you are in a better place. We all belong to God and he has called you home. We will all be with you one day. I pray daily for Hattie and Alisa as we grieve your homecoming, but in time God will comfort our hearts. I cherish the good times we had in our childhood, high school years, and adulthood. You were a good friend and I thank you supporting my insurance business. Although you're gone too soon in our eyes, I thank God that he blessed me with a great friend like you.*

*Hattie, I cannot tell you how it feels because I have never had a child to go before me. However, I can tell you that you are in my thoughts and prayers. Remember that earth has no sorrow that Heaven cannot heal. Love you girl. Linda E. Love*
