“ My deepest Sympathies to Rosa's family. I knew Rosa from Blue Cross. She was a very quiet person and was there if you needed her. She will be missed.##imported-begin##Peggy Kiesner##imported-end##

“ I worked for Ms. Jackson from 1997-2002 with the 84th Division. She was a fantastic lady, great supervisor and a friend. I was very sorry to hear of her passing and wish it would be possible to attend the service. My thoughts and prayers are with her family and friends at this time of sorrow.
