“ Mama it's getting close to the time that you went to your heavenly home. I think of you daily and miss you more than I can appropriately articulate. We shared a love that only you and I truly understand. I miss you as do the boyz..Jabri speaks of you fondly and often. Continue your beautiful slumber..Monique , "Baby Bear" and Delicious..The Madlock - Perkins family

“ *To the Madlock Family*
With Sympathy from from our family
We cannot know why things happen. All we can do is keep hope in our hearts and remember how much others care. It's hard to find any words that will bring comfort to you right now. Just remember how much God cares about you and your family, and that our hearts and prayers go out to you and your family. Just trust in God he will wipe all your tears away. Your mother is safe in his arms, and she will always be in your hearts. Love the James/Jines Family##imported-begin##Wanda & Willie James/Jines##imported-end##
