Ecclesiastes 7

Wisdom

*1 A good name is better than fine perfume,
and the day of death better than the day of birth.*

*2 It is better to go to a house of mourning
than to go to a house of feasting,
for death is the destiny of every man;
the living should take this to heart.*

*3 Sorrow is better than laughter,
because a sad face is good for the heart##imported-

“If tomorrow starts without me, and I'm not there to see,
If the sun should rise and find your eyes all filled with tears for me,
I wish so much you wouldn't cry the way you did today
While thinking of the many things we didn't get to say,
I know how much you love me, As much as I love you, and each
time that you think of me, I know you'll miss me too,
But when tomorrow starts without me, Please try to understand, that
an angel came and called my name, And took me by the hand,
And said my place was ready, in heaven far above, And that I'd
have to leave behind all those I dearly love.
But as I turned to walk away, A tear fell from my eye, For all my life,
I'd always thought, I didn't want to die.
I had so much to live for, So much left yet to do, it seemed almost
impossible, that I was leaving you.
I thought of all the yesterdays, the good ones and the bad, I thought
of all that we shared, and all the fun we had.
If I could relive yesterday, just even for a while, I'd say good-bye
and kiss you and maybe see you smile.
But then I fully realized, that this could never be, for emptiness and
memories, would take the place of me.
And when I thought of worldly things, I might miss come tomorrow, I
thought of you, and when I did, my heart was filled with sorrow.
But when I walked through heaven's gates, I felt so much at home.

When God looked down and smiled at me, From His great golden
throne, He said, "This is eternity, and all I've promised you." Today
your life on earth is past, but here life starts anew.
I promise no tomorrow, but today will always last, and since each
day is the same way, there's no longing for the past.
You have been so faithful, so trusting and so true. Though there
were times you did some things, you knew you shouldn't do.
But you have been forgiven, and now at last you're free. So won't
you come and take my hand, and share my life with me?
So when tomorrow starts without me, don't think we're far apart, for
every time you think of me, I'm right here, in your heart.â?

You will be deeply missed "auntie," I love you and I miss you but I know I have to let you go.##imported-begin##Wanette Jones##imported-end##
