“ To the family: You have my heartfelt sympathy for your loss. Ruby and I met in 1978 and immediately became friends. We shared many experiences and memories over the years. All though we lived in different parts of the county over the years, we talked often and was always there in support of each other both emotionally and spiritually. You can take comfort in knowing that she is now in God's care. I will truly miss her!

Always,
Gloria
