“ *I understand everyone Known her and love her every much as I did. Even I couldn't understand way but knew my heart spirit was there. But the Love I have is bestow upon me is something I share with my grandmother within my heart. She understood my heart and sometime I feel like going home to her right now.###imported-begin###Mr.Lyle A Shumpert###imported-end###*

“ *Dear Margaret,
Please know I was deeply saddened to receive the news of your mother's homegoing. We you and I, were blessed to have our mothers share and witness many of our accomplishments. Our mothers were blessed to witness the beginning of another generations. Yet with all of the aforementioned we are saddened. It was my experience to celebrate my mother's homegoing as sweet relief and sad release. She was relieved of her discomfort and loss of memory, yet it was sad to release her physical body. Our faith your faith will sustain you, you will laugh again, you will sing again, and most assuredly you will dance again.*

My prayers are with you as take on this new journey.

Sincerely,

Eleanor and Joe Goines###imported-begin###Eleanor Grimes Goines###imported-end###
