United we stand and all  
I could not be another day  
To stand, to live, to work and play  
You left me here in this world  
I found that peace in the time of day  
It was passing the life away  
That left a void remembered in  
A friendship shared, a love, a dream  
My only love, Ruby, I love, I love  
By my husband with love and care  
I will see the sunshine in your eyes  
My love, Ruby, I could not be  
I could not be, I could not be  
Ruby, you were so much all my life,  
You were a love, a love, a love.
