“ Our deepest condolences are going out to Russell's family. Russell and I have known each other and were co-workers at Swingles Furniture in the late 1990's. We have stayed in contact throughout the years. In fact, he had stopped into JB's Furniture for a visit with Russell Jr. within the last two weeks. I was deeply saddened when I heard the shocking news and want the family to know how much he will be missed. It has been my pleasure to have known such a kind and honest man. Russell will have a spot on our "In Loving Memory" board in the store and always have a place in our hearts.  
With sincerest sympathies,
