“ *Sweet Sadie
What a wonderful person
No single words can be used to do her justice
Strength Courage Laughter Loving with a very Loving family
Sadie,s eyes would stop the world if she could
Her heart was bigger than life itself
I felt honored to have been in her life with her family
May God put his arms around her family to give them comfort
May all of your Memories stay in your heart forever

“ Winnie, we all miss you and love you dearly but God wanted another beautiful flower in his garden and he picked you. We know that you will continue to blossom in his garden and we know that you will watch over us until we join you in that beautiful garden. Be at rest and I am thankful that we shared many times together as we grew up as kids.

To her faithful and devoted husband, we appreciate how you stood by her and with her during her illness and to children you had a great mom, who loved you immensely. She was so proud of each of you and I know you are proud of her.

Be comforted to know that She is with her Heavenly Father now and is at peace in mind and body.
