“ Dear Sandra I have so many fond memories of you, especially in 1980 when you visit me in the maternity ward and commented on the condition of our pregnant women shoes. I love you and will always miss you.

To Wesley, Christopher, and the Rilley family may God bless you and may you continue to be a blessing to others.##imported-begin##Shirley Harris##imported-end##

“ I am so sad to hear today that God took Sandra home. I didn't know.

I still laugh at our dating and clubbing adventures, like the time we all went out in jeans so tight we couldn't sit down and leaned against the bar all night but we were cute and got a lot of drinks and dances. I'm so sorry we lost touch and I missed you. You'll always be a friend with a special place in my fondest memories. Love always!!

My deepest condolences to Wesley and Chris and all of Sandra's family.##imported-begin##Gwenda Dumas##imported-end##

“ I remember all of the fun times and mischief Sandra, Ernestine, Ann, Rosemary and me got into at the University of Arkansas @ Pine Bluff. We were the best of friends. I had a Volkswagon car and we would pile up to eight 8 people in it at time. I also remember all of the good food Mrs. Olivia used to cook . I love you Sandra, Rest in Peace.

“ San, you are truly missed. This Christmas was not the same without you. You were like my sister instead of my cousin, and we shared many eventful and cherishable memories. It will be through those memories with pictures and with stories at and of family gatherings that you will forever live in our hearts. I'm grateful for the time God allowed us to have you. Rest in peace. Love you.##imported-begin##A. Jennifer Hadley##imported-end##

“ Hello Sis,

Rest in Peace, I am the sister with 1 letter "I" and you were the bigger sister with 2 "I's" in your last name, but at this time it really doesn't matter, because we won't be able argue that point any longer. smile

You majored in Accounting and I did too because of you!

Remember, when you let me and my husband practice our parenting skills on Wesley, and guess what it made us better parents...thanks

Remember when you took me downtown to buy me the cool brown shoes. The coolest shoes around. Man, I will never forget those cool shoes that you made sure I had. Remember, when you told me to shut up because , I ask too many questions, guess what, I have one final question that I want you to ask the Lord , and that is why nowLove you eternally, Bren##imported-begin##Brenda Riley Richardson##imported-end##
