“ Sergeant Scott Mathis was one of my supervisors at The CJF. He was a great guy and a great mentor. He always had a open ear if you needed to talk. His smile made me smile even if I didn't feel like it. This just does not seem fair. He will be missed by so many and never forgotten.##imported-begin##Michelle Lisiecki##imported-end##

“ *To the Family,*

*I was Scott's supervisor for the Sheriff's Office at the airport. Scott was a very energetic worker. He was always enthusiastic about his job. He loved being a police officer and excelled in many areas. Scott had a strong viewpoint and was not afraid to give his point of view. He was a project facilitator and was able to get things done. He will be missed.  
May the grace of God, oversee and keep the family.##imported-begin##Darlene Jonas##imported-end##*
