“ I absolutely fell in love with Sharon when she came to visit last year. We hate we will not make the funeral. She was so funny and a joy to be around. I am really glad I got to meet her. Antonio said he loves you aunt Sharon and he will miss you. RIP Sharon. We love you.

“ She was a fun aunt. She loved her nieces and nephews. She would do anything for us. She was the BEST babysitter. As much as we deserved whippings, she never whipped us, nor did she tell on us when we were being mischievous. She made the best beef ribs. I will miss her dearly.
