“ *The thing that I will miss about my cousin the most is her warm and caring heart. Shaun would always put family first no matter what the circumstances were. She loved her daycare kids as well as her own. She especially loved her one and only grand son tayshaun. He was the sunshine in her life. I am going to miss my cousin , we did so much stuff together when we were younger. I no she is in heaven with her mom, auntie ,uncle, and grandfather so yes heaven has another PERKINS angel up there. I no that my cousin is up there because she gives me a sign that everyone is okay and not to worry.*

Love always

Your cousin Amey##imported-begin##Amey Perkins##imported-end##
