“ Dear Sharon and Family,

*I was deeply saddened to hear about the passing of your mother. My heart goes out to you during this incredibly difficult time, and I want to express my deepest condolences. I cannot imagine the pain and sorrow you must be feeling, but please know that you are in my thoughts and prayers.*

*Heavenly Father, [L] [SEP] We come to You in this time of grief, asking for Your loving presence to comfort the Johnson family. Wrap them in Your warmth and peace, giving them the strength to face each day without their beloved mother.*

*[L] [SEP] Lord, we thank You for the precious moments the family has shared with their mother, for the love, wisdom, and kindness that Ms. Shellie shared with the world. We know that she is now in Your embrace, free from pain and suffering, and surrounded by Your eternal love. [L] [SEP]*

*May the Johnson family find solace in Your grace and may they feel the presence of her mother's spirit with them always.*

*[L] [SEP] Grant them peace, Lord, and the courage to carry on with the memories of a life well-lived. [L] [SEP] In Your name, we pray. Amen.*

*Sharon, please know that you are not alone. Lean on your loved ones, and take the time you need to heal. If there's anything I can do—whether it's listening, providing a helping hand, or simply offering a shoulder to lean on—please don't hesitate to reach out.*

*Wishing you peace and comfort as you navigate this painful journey. Your mother's legacy will live on in you and all those she touched with her kindness.*

*With heartfelt sympathy and love,*

*The Brown Family and your Spain Family!*

“ Hi, my name is Twanda Barlow and Mrs Johnson was my sister's mother in law I remember when I visited some years ago in Wisconsin Mrs Johnson did the most amazing thing for me she prepared some fried corn, the way she prepared it seemed so easy because it took her no time to do it, the method in which she got the corn off the cob and the ease of whipping it all together I was so amazed I couldn't believe it. It was in word fabulous 🙌 and i really enjoyed it , to this day I tell people about that corn she made I heard her grandson has mastered the technique I must explore that and make my decision, she was a very nice lady and will be greatly missed. Thanks
