“ *We always enjoyed when Nisey came to California. She had such a warm and caring spirit. She had a very sweet soul. She welcomed us into their family with open arms. Although we will not be with the family physically, we will definitely be there with you in spirit. McElroy family, you know that you can always call and depend on the Godwin family to be there for you no matter the need. We love you guys dearly. With much love Ranard and Alita Godwin* ”
