

Ms. Sherie Spicer

May 16, 1954 - August 1, 2012

Sherie Spicer was born May 16, 1954 to Buford and Lillie Spicer, in Milwaukee, Wisconsin. As a young lady Sherie enjoyed the game of tennis during her formative years.

After graduating from North Division high school, Sherie met her lifetime partner, Larry B. Mahdi. The two started their family, first with son Larry and later they were blessed with Rakin. It was Sherie's courage and no nonsense attitude that lead her down the career path of welding for both Rexnord and A.O Smith in the early 80's. It was during her tenor as a welder that she realized her true calling of helping others. This realization prompted Sherie to pursue an Associate's degree in Social Work. In addition to her own drive and dedication, Sherie also pushed her niece Bonita Burks. As a direct result of Sherie's push, Bonita not only obtained an Associate's, but also a Bachelor's and Master's degree in Social Work. Next, Sherie decided to put into practice the knowledge she gained from her educational journey by working as a counselor at Genesis and later OIC. In this capacity Sherie was able to encourage troubled men and women along with proactively seeking out resources that would help them turn their lives around. It was in this capacity where she was able to truly touch many lives and in return gained a sense of inner peace. Outside of counseling, Sherie's true passion was her boys, Larry & Rakin. Sherie realized early that her investment in her boys

would futuristically yield great returns.

Sherie Spicer departed on Wednesday, Aug 1, 2012 and was preceded in death by her father Buford Spicer and her lifetime partner Larry B. Mahdi.

Sherie leaves behind her sons Larry Spicer
