“ Even 40 years later I still find myself searching for Mr. Barrett finding out that he passed 5 years ago. I had Mr. Barrett as a 6th-grade student in 1979-80. When I am asked who was the most influential teacher in my life - Mr. Barrett wins that award! Kind to me. No-nonsense, yet funny. Even after starting college in MN, I would go home to Milwaukee and visit Bruce School just to see him again. I think of him often and am blessed to have known him.

“ Mr. Barrett was my 6th grade teacher for the '94-95 school year. He was such a fatherly man and made us all feel loved. He was always so calm and poised. He never let us see him out of character even when children misbehaved. I love you Mr..B.

“ Mr. Barrett was my teacher for 6th grade at Bruce School. He was always so warm and caring. He was definitely one of those teachers who invested into his students. I credit the knowledge & desire for success to him! He made sure we knew how important education was and went far and beyond to ensure we got a good one. Sad to see him go but I believe we will meet again! Take your rest Mr Barrett!

“ *Mr. Barrett was my 6th grade teacher at Bruce Elementary School 84-85 and he was my favorite teacher. Even long after graduating middle and high school, I made sure I came back to see him and let him know I was doing okay.*
