“ I miss you so much. I think about you everyday. I miss all the laughs we shared. The tears too because we always knew how to make each laugh through those tears. You were one of a kind.

“ My heart is just breaking for my family. My auntie touched so many lives. She had a heart of gold and I miss her more than words could ever express. I will hold on to my memories and share them always.

Praying for the Harris and Wiley family, our family has been friends for over forty years with the family, praying God's strength to her husband, children, grandchildren, brothers and sister. Will miss her but I will always remember her in the window at the house on the corner of North 21st.
