“ I am so sorry to hear of Stephan's passing. He served on the board of the Urban Economic Development Association of WI (UEDA) for 6 years and we got to know him and his passion for the community well. He was thoughtful and positive, with a wry wit. It is too soon. On behalf of the board and staff, our deepest and heartfelt condolences to the Lesure family.

“ *My condolences to all of Stephan's family and friends. I did not know Stephan that long. He became my boss in early 2020 and I was only fortunate enough to meet him in person 1 time. That said, he will have a lasting impact on me both personally and professionally. He seemed to truly care about people (and in my case, people he barely even knew). In that short time, we had some great conversations - so I can only imagine how fortunate others that knew him a long time were to have known him, nor how much harder it is for them/you to be without him. - Thad Florczak*
