“ It's July 5, 2024 and I just found out Steve passed a few days ago from a childhood friend. I met Steve at Holy Angels school and always remember him being a kind, genuine, friendly, and good person. Thanks for being a light to others and lifting others up when it would have been easy to stand in the crowd, instead tead of standing up. Happy heavenly birthday my friend.

“ To the family,

*words can not express my sympathy., Steve was gentle, kind, sensitive, emotional, caring and very loving, If you were his friend in anyway during his life, you were always going to be his friend. if you didn't reach out to him, he reached out to you, to say that he is going to be missed is truly and understatement. To say that I love and care for him is also an understatement.*

*My prayers and condolences to you.*

*Be blessed!##imported-begin##Kimberly McNealey##imported-end##*

“ You helped me out so many times. We always had each others back. You were the only big brother I had. We had so many great moments but the one that I will never forget is when you told me ' We are destined to met again in another life'. Or the time we went out and I wanted that great teddy bear for Celi and you bought it for her. Your friendship was a blessing in my life, I thank you for that. I will never forget how much love you gave me being my big brother. I love you and will forever! Thank you for everything you did for me and Celi! <3 **###imported-begin##Hilaria Lala Guzman##imported-end##**

“ Steve, we've only seen each other a couple of times as adults but as children, our parents would get us together and convoy on vacation in those campers all over the country. We had lots of fun. You will be missed. I send my condolences to your family and pray that God keeps them in perfect peace during their time of bereavement. RIP my friend!**###imported-begin##Michele Sanders##imported-end##**
