“ I knew Mr. Taylor as my Uncle Sonny. I am Andrew Walls' granddaughter, Tuttie. I will forever cherish our conversations about current events and listening to the radio programs. Each time I visited him, he always offered me a "Capri Sun" drink, which I kindly accepted. Earlier this year, I took him to 12th & Chambers to see a friend of his. He kept us laughing during the visit. I'm so thankful I got to know Uncle Sonny!
