“ Rest well my friend. This hit hard today as I reminisce on our friendship through the years from Milwaukee to Atlanta. I'm going to miss saying Hey Tammie save me a seat at church then deciding where to brunch after church and which movie to see. I am definitely going to miss my road warrior partner. I rejoice in knowing that you are in no more pain and that you are resting in the arms of Jesus. My prayers continue for your family. Just know you are going to be missed. Until we meet again Rest in PEACE.

My problem is,  
I don't like you're saying,  
but I SEE how you're ACTING.

“ We always had great laughs together!! And you loved talking about whatever came to mind. 💙😞
