“ Thomas was a character. He could always make you laugh at anything. We attend Washington High School. He was best known by my brother Kevin & Benny. I remember the time when he & David was at my mom & dad house located off of 37th & Lisbon. I'd left out of my bedroom for a minute to come back a found that someone had gone through my pantie drawal. Daivd came in the room afterwards Thomas showed up in my room also. I'd asked who went through my drawal. Neither one of them confess to doing it. I think Thomas did because I always stated that he'd had a crush on me! I difn't think he liked me; but he always afterwards messed with me..
RIP God Be With The Family at their time of grief.##imported-begin##Jeneice##imported-end##
