“ I only remember having one phone call with you grandpa. But I knew I would have loved to hear all the stories you had for me. I didn't get to build a relationship with you like I did with Shirley, but I know you watch over me too. I love you and miss you and hope that you're enjoying your new journey - Pyrria

“ Daddy,  
There isn't enough time in a day to tell you all the things that should have been shared a long long time ago..I wasn't around to much at the end but for the funeral I was there...The cremation..Three was there...I only have left the good memories that we shared and one day for you to look down on me from heaven and utter the words...I'M PROUD OF YOU THREE...Until we meet in heaven...I love you big cahoonna###imported-begin###daddy's baby girl###imported-end##

“ THOMAS:  
You were a good husband to me and my children. We are all going to miss you. We will always remember you as "Big T"; shooting darts, going fishing, etc. I know you are not suffering any longer. Pyrria didn't get much of a chance to know you only by phone. He is also going to miss you. I know that one day we will all meet again in heaven. Until that day when we meet again, we will always love you.
