“ I can't believe I'm hearing what I am. My mom called me this morning & asked if this was you & it is. I immediately started crying & memories just keep flashing through my head. We had some good & interesting times in a high school & a couple of years beyond you were one of my best friends! Then we grew apart for some reason. However, I've always thought about how you were doing. My prayers & condolences go out to your parents, sisters & brothers & entire family. Definitely gone to soon. Tiff, you will be missed.....LaChelle Nicolet##imported-begin##LaChelle Jones-Gandy##imported-end##
