“ *Happy, I know that you are resting. I didn't even know that you had left us already. I was looking for you to help me out with a project. Your kindness and thoughtfulness will always be remembered. My friend, you will truly be missed. We didn't talk very often but when we did, you were always there to give me the encouragement that I needed. To the family and friends of Happy Tillman, I am sorry to you for your loss. You are in my heart and prayers. May the Grace of God be with you all. With all my love,
