“ Tim was a very close friend of ours but he was more like family. He was always there at every family get together. He was a groomsman in our wedding and I remember how he was so attentive and thoughtful. He was the 1 person to make sure the train of my dress didn't get dirty or I didn't fall in my heels. He was such a gentlemen, very kind and I don't know anyone with a bigger heart. We love you Tim and we will forever remember you.
