God gained another angel Timothy D· Liddell {Formaly known as Timothy D. Long Sr. was born on July 2, 1968 to his loving parents Gloria B. Froemming and Willie L Liddell in Milwaukee, WI. He was a loving husband, son, father, grandfather, brother, uncle and friend.

Recently in 2017 we learned that the cancer came back. Although we were all saddened by the news, he would not accept people feeling sorry for him and he began his second journey through chemo and radiation. This round of of treatment was not as victorious as the last. On August 30, 2017 he received the news that the cancer was still there. A little over a month later on the 5th

of October the cancer claimed his life.
