“ My condolences go out to the Milan, Bandy, Skinner, Thompson  
family, and children.  
Toni may you continue to rest in peace. It will be hard accepting the  
fact that you are gone, and gone so young. Your grandson's heart is  
broken, but you will forever be etched in our hearts, and in our  
memories. The kids send their love. See you on the other side.

*My fondest memory of Toni was meeting her November of 1993 I  
was a freshman in college, the family lived on 34th & Mckinnley and  
I remember being scared of going to the house to meet Lindell's  
mom. I also remember Toni being a bingo Queen and a avid bingo  
player :*

*Toni you will forever be missed by the kids and I. I wish in the last  
days we could have spent more time.*

*Love,  
Your daughter -in -law
