“ *I can't believe Tonia is gone. I have known her almost my whole life. We were friend and neighbors for many years and I am going to miss her so much.*

*Tonia, I never got a chance to show you my new house since I moved away from you..... Seems, we were playing phone tag since the holidays. But I know you saw KeeKee all the time at her school. Girl, you were like family to me and please don't forget me because I sure won't forget you. I know you loved your movies smile and we used to exchange movies all the time. All the laughing we did for simply nothing at all. All our walks and talks will not go in vain. Rest in Peace!! I love you.!!###imported-begin###Tara Turner###imported-end##*
