

Ms. Tracey Jo Whitmore

June 14, 1960 - December 10, 2024

Tracey Jo Whitmore was born in Milwaukee, Wisconsin on June 14, 1960, to Alvin E. Whitmore Sr. and Barbara J. Harris Whitmore.

Tracey graduated from Brown Deer High School and continued her education at Milwaukee Area Technical College and Alverno College.

Tracey was baptized as an infant and accepted Christ as her personal savior at Hampton Avenue Church of Christ.

She was preceded in death by her parents, Alvin E. Whitmore Sr. and Barbara J. Harris Whitmore. Sister Carolyn F. Whitmore Taylor, brother Alvin E. Whitmore Taylor, brother(Lu) nieces Debbie Whitmore and JoAnn Whitmore

She leaves to cherish her memory sister Stephanie L. Whitmore, brother Martin E. Whitmore (Laura). Nephews Alvin E. Whitmore III, Kassius Whitmore-Johnson, Graham H. Whitmore. Nieces Rhonda Taylor Hall, Tammy Taylor Perry (Robert), Carolyn F. Whitmore (Brian Lambert), Natalie Whitmore Hunt, Elyse G. Whitmore and a host of cousins, extended family, friends, and co-workers.

Tracey was a very spirited young girl who had many friends throughout her life. When she was a teenager, Tracey made her debut through the Links

organization and won their award for completing the most hours-of-service work.

Tracey had a passion for cooking, baking and gardening. Her refrigerator rolls were always a hit with the family. She was also an avid crafter and made jewelry pieces for friends and family whenever she was able. But when Tracey wasn't making jewelry, she obtained it from art fairs as her budget allowed. In addition, Tracey was a collector of African art taking over from where our parents left off.

Over the years, Tracey held many positions ranging from customer service at Time Warner Cable to pharmacy technician at Walgreens. Eventually her vocation became alcohol and other abuse (AODA) counselor. This profession was the most satisfying as she took pride in being of service to her patients. Tracey hoped to continue earning college credits to further her career. Her most recent employer was Gateway to The Future. Tracey also spent some years working with the AIDS Resource Center of Wisconsin helping to increase awareness of HIV/AIDS.

Tracey, we will love you always.

“ Hi 🙏 to the family of Tracey Whitmore: what a shock to learn that she passed away this month. I last saw Tracey a few years ago and she was so proud of a community garden that she helped to start in her neighborhood. Her Mom and my Mom were friends - I still remember Mrs. Whitmore too. Tracey and I grew up together. Tracey - May you rest in peace and love. Happy to re-join your Mom and other family members in Heaven. Please say hi to my Mom in heaven too. 🙏🦋🙏

“ *At the Milwaukee reunion Traci and I had lunch just by ourselves. I so enjoyed hanging with my cousin. Traci was such a sweetheart even though she had illnesses and was sick. She always had a positive attitude. I will miss her and miss our conversations. Love you, Cuz.*
