“ To the Thompson family,  
My deepest condolences on the loss of your loved one, Mr. Thompson as I called him. Reminded me of my late grandfather from MS. Mr. Thompson was a very sharp and strong versed man. He definitely had presence when he was in the room at our Block watch meetings or at the cookouts. I always enjoyed speaking with him and Mrs. Thompson. He will be missed and I pray for your family to maintain the closeness I've heard and seen displayed within this family. Be Strong, Take care of each other and God Bless###imported-begin###Kimberly Marshall###imported-end###
