“ It is hard to imagine that your voice will be silent. Our long talks on the phone, our talks as I drove you home and talks before, during and after church meetings. I could always count on your advice, even if I did not always agree with it. We had our fair share of disagreements but in the end we would come together. You worked long and hard for the church you loved. I will miss you so much Vera. You will continue to have a special place in my heart. Thank you for being a blessing to me and my family. My heart felt condolences to the family.##imported-begin##Darrell Walker##imported-end##

“ Dear Aunt Vera,

As you look down upon us I know you will be proud to see your influence upon those you graced with your presence. Your elegance will be something I will remember {and your batting eyes :-} when I think of you. We all will miss you dearly. With a heavy heart and lots of love from your family in CA.##imported-begin##Tony##imported-end##
