“ When I joined Mt Olive MBC April of 2003 Sister Vera Fitzhugh became my friend she loved me automatically. Vera and I worked on various ministries over the years. My friends special gift was in her hands she made me a couple of quilts and the beauty she made these quilts with came from her heart. I love you my friend you are irreplaceable in the lives you touched. No longer sitting with us you are standing with God

“ Vera was a good friend to me. We were sewing buddies. She was sweet and kind. She will surely be missed. I loved Vera and her family. I moved from Milwaukee in 1989 and didn't see her often enough. I pray that her family and other friends will find comfort in knowing that God loved her and you. Please turn to Him for comfort.
