“ My condolences goes out to the family and also my First Student family. Wanda I want you to know that you are missed and will continue to be missed. We have had so many talks and trips to Walmart, I will never forget. You became my Mother at work and it's just not the same without you. I miss and love you, Tawanna J.##imported-begin##Tawanna Jordan##imported-end##

“ Wanda the one thing that stands out the most about you was the love you had for kids. I've never met anyone who had so much passion for her job like you. It takes a special person to have patience and compassion for the kids we drive. You always made it look so simple and took time to get to know each and every last one of them. I wish we had more time with you but even though we wanted you here on earth God needed you more. You probably up there driving some kids somewhere right now. R.I.P Mrs.Wanda. P.S don't be up there cussing cause you know how you get sometimes. Lol###imported-begin##Shaquan Riley##imported-end##
