“ Miss. Janice Hudson.
MR. Wayne Gatewood and i met 37yrs. ago at lapham park social and dancing club
I knew after we talked, that he's a genuine person with a good loving kind heart.
Mr. gatewood and i bonded a true friendship out of true love & respect, and that's when he took me by the hand and excepted me as apart of his circle. and was the first person that i met when i first came out the closet, And began to introduce me to his circle of friends, and important people's, Wayne and i grew up together as teenagers, and even went to the same junior high school together.
i remember the first time he invited me his home and that's when i became to learn and recognize that i just witness one of the best DJ's in milwaukee night clubs.
