“ I remember when I went to Lakeview, Ar. to visit and see, as William put it, DD's private lake. Got 43 mosquito bites down there but the visit was fun. William, Gizmo as he was known as, was and still has a very special place in my and Sean's heart. He'll truly be missed. The last time I saw him was on my visit to Milwaukee since I moved to Mississippi and gotten married, we go a long way back when DD owned the house on 87th and Portage. You'll always be remembered, the entire family has my prayers. Nadine Palmer Simmons
