“ *To my grandpa*

Although I only seen you a few times when I was little and once about two months ago I love you. I wanted you to know I think about you all the time. I regret not spending more time with you once we were reconnected. I just dont know how to deal with deaths and I was afraid to love you with all my heart but it happened. There is so much I could say but I will end this with I love you grandpa. Gone but not forgotten. Love Shanice Patterson Sean's oldest daughter##imported-begin##Shanice Patterson##imported-end##
