“ *Bea will truly be missed. Her smile lit up any room she was in and she always had something positive to say to lift your spirit. Praying for strength for the family. We share your loss because she was the person that always put our trips together which were always exceptional and fun for our group to be together. So long Bea until we meet again.*

I must say that I am in shock! I've known Cousin Bea all of my life and I will miss her smile and kind spirit. I am praying that the Lord will wrap His loving arms of comfort around Cleo, Linda and the family and bring them the Shalom that only He can. I will continue to lift you up in my prayers. Love you all.
